SAFARI CLUB INTERNATIONAL – LUBBOCK CHAPTER OF SCI (LUBBOCK SCI)

Online / Live Auction Policy

All sales are final. There will be no exchanges or refunds on auctioned hunts, services and/or items, including fishing trips (hereinafter “hunts”).

All such auctioned hunts must be used within the timeframe specified on the donation. If no date range is specified, all such hunts must be used within one year of the date of purchase or work with the outfitter to change the dates of the hunt.

The purchaser (winning bidder) must contact the donor within thirty **(30) days** of the date of this purchase.

If the purchaser fails to contact the donor within thirty **(30) days** of the date of this purchase, the donor may consider the donation invalid.

It is the purchaser’s responsibility to contact the hunt and/or services donor immediately, make all necessary arrangements for dates, and submit the application for any necessary paperwork for licenses and/or permits.

Lubbock SCI is not, and will not act as, a conduit or go-between between the purchaser and donor.

Lubbock SCI has made reasonable efforts to ensure the quality of donated hunts, items, and other services; however, Lubbock SCI does not guarantee the satisfaction of the donor or the purchaser.

All donors provided notice on the Lubbock SCI donation form, or other supporting documents they submitted to Lubbock SCI with their donation, specifics regarding the duration (in days) of the hunt/service and the available date range for completion of the hunt or service offered in the donation. They also addressed what lodging/accommodations are offered and what trophy fees are included with the donation. A copy of this donation form (and/or supporting documents) will be provided to the winning bidder if he/she requests the subject documents formally in writing to Lubbock SCI within **12 months of the auction date**.

Lubbock SCI does not guarantee or warrant that a trophy animal or any animal will be taken during the period of the hunt. Locating or taking an animal of any trophy quality or otherwise is not a condition of acceptance by the purchaser for the purchased hunt.

A person who bids on behalf of another person or group is responsible for payment in its entirety.

Several bid items have undisclosed reserve amounts. The seller or its designee reserves the right to bid up to, but not over, the undisclosed reserve amount.

The goods and services offered in the auction are sold “as is,” including any faults or defects, and without any express or implied warranty or guarantees on the part of Lubbock SCI or Safari Club International (SCI). Lubbock SCI and SCI make no warranties of fitness or merchantability.

The winning bidder acknowledges that Lubbock SCI and SCI cannot be responsible for, or liable for, any political unrest, epidemic, acts of god, or instability that may occur inside or outside the United States, nor can Lubbock SCI or SCI be accountable for any injuries or damages that may arise there from.

The winning bidder further acknowledges that his/her purchase is final and non-refundable under any and all circumstances.

Lubbock SCI reserves the right to add/withdraw any item from the auction line-up.

All donations will be used for efforts to protect our hunting heritage, wildlife conservation projects, and other core missions of SCI and Lubbock SCI, so please bid generously!

July 11, 2026

Good evening,

An event like this doesn't come together by accident. Your Lubbock

SCI Board has spent months planning, organizing, and working behind the scenes to make tonight possible. Their dedication to hunting, conservation, and this community is the reason we're all in this room. They've earned a hardy thank you.

For those new to SCI: we're hunters committed to protecting the future of hunting. That means putting our time, energy, and resources to work, on the ground in our communities, and in the halls of government.

Here's how tonight's support is used. 70% stays right here in Lubbock, funding local projects like habitat restoration, youth hunts, and lending a hand when a neighbor needs one. The remaining 30% powers SCI's national advocacy team, who track legislation, push back on harmful policy, and defend your hunting rights in Washington, D.C. and beyond.

Not a member yet? Swing by the table before the night wraps up. We'd love to have you join us.

Enjoy the evening. Bid high, laugh loud, and know you're part of something bigger.

Happy Hunting,

A handwritten signature in black ink that reads "Carson Keys". The signature is written in a cursive, flowing style.

MEET DAVID MORGAN

For 17 years, I proudly served in the United States Army, achieving the rank of Sergeant First Class. Throughout my military career, I served first as a 19K - Armor Crewman on the M1A1 Main Battle Tank, performing the duties of driver, gunner, and tank commander before later serving as a 79R - Recruiter and Station Commander.

I was deployed in support of Operations Desert Shield and Desert Storm, serving for eight months with the 1st Infantry Division (The Big Red One) from Fort Riley, Kansas. During my career, I was assigned to eight permanent duty stations and seven temporary duty assignments, these experiences shaped my leadership, resilience, and commitment for serving others.

Although I had planned to continue my military career, I was medically separated after I could no longer meet the Army's medical standards. Leaving the profession I loved was one of the most difficult transitions of my life.

Today, I look forward to a new chapter with Knox. In the short time we've spent together, he has already made a meaningful difference in my life. Knox (Ft. Knox, where my Military career began) will provide a level of connection, companionship, and support that words simply cannot express. He represents not only greater independence, but also hope, healing, and a trusted partner for the journey ahead.

I will always be grateful for the opportunity to serve my country, and I am equally grateful for those who have made this next chapter possible.
